

FINANCIAL POLICY

Thank you for choosing our office for your dental care. We strive to deliver the most comprehensive dental care available. Part of that is making the cost of optimal care as manageable as possible. We offer several payment options:

- Cash or Check
- Debit/Credit Card – We accept Visa, Mastercard, and Discover
- Care Credit- *Care Credit is a healthcare payment program. Through Care Credit, we are able to offer you the option of interest-free, low monthly payment plans¹. If you are interested, please ask us for an application or visit Carecredit.com*

INSURANCE

Our practice is not in-network with any Insurance Providers. However, we will gladly file your claim and work with your carrier to maximize your benefits. You are responsible for any remaining balance that your insurance company does not cover. Please be sure to notify us of any policy or coverage change in your insurance.

FINANCIAL AND OFFICE POLICIES

Calhoun Clemson Dental Associates charges a \$35 missed appointment fee. Failure to cancel a scheduled appointment within 24 hours OR failure to show for a scheduled appointment will result in a charge to your account. This fee covers administrative and business tasks associated with your appointment time. Any incurred fees will need to be paid in full, prior to scheduling further appointments.

There is a \$30 chargeback fee for any returned checks.

For patients under 18, we require a parent or guardian be responsible for the account. One adult may accompany children in clinical areas of the office.

Payment is required at the time services are rendered. A finance charge of 1.5% will be added to any account balance over 60 days. If the insurance payment is not received within 60 days, full payment is due from the patient. Any account balance accrued over 90 days is considered delinquent and will be turned over to a collection agency.

I have read and understand the above financial and office policies.
